

 **Committed  
Resilient**  
*Together*

IN OUR COMMUNITY

Together with our partners, we stepped forward to combat COVID-19

**StayMasked**  
11 million reusable masks distributed locally  
More sustainable than disposable masks

**Safeguarding the Community**

**COVID-19 Swabbing Mobile Booths (COSMO)**

At 170 clinics nationwide for safer testing

**BYOBClean**  
Hand sanitiser for all Singapore households  
"Bring your own bottle" (BYOB) sustainability concept to reuse and recycle bottles

**Back to School**  
700,000 face shields and hand sanitisers given to students and teachers

Information as at 31 August 2020

Temasek Foundation enables collaborations within communities to achieve a better shared future

**Moving Generations**  
Connecting youths with seniors through e-trishaw rides

**Nurturing a Better World**

**Interfaith Programmes**  
Encouraged interfaith and intercultural understanding in ASEAN

**Sustainable Food Protein Production**  
Partnered Sophie's BioNutrients to produce low-cost protein using microalgae fermentation for food security

**My Mental Health**  
Developed a resource hub to support mental wellness during COVID-19
